Hi Leslie, I wanted to see if you were available for a short chat between now and 5:30 ET on the proposed aquifer exemption from CA, want to just give you a heads up on an issue that's evolved in our discussions with the state and see what your thoughts are...

Thanks and hope all's well!

Darman, Leslie 3:37 PM:

How about 4:45?

Engelman, Alexa 3:40 PM:

Sure, I'll give you a call at 1:45PT/4:45 ET- thanks!
